

The 12th Nordic Neonatal Meeting

November 20-21, 2025

Venue: Radisson Blu Scandinavia, Copenhagen, Denmark

Chiesi has the great pleasure to invite neonatologists from your department to the the 12th Nordic Neonatal Meeting which will be held at Radisson Blu Scandinavia, Copenhagen, Denmark.

The meeting is a high end educational meeting within neonatology and the program has been developed with input from the Scientific Committee. There will be sessions dedicated to Care Improvement, Infections & immunology, Transition at birth. As usual the NNM meeting also include a special session with an up-date on on-going clinical trials in the Nordic countries (see attached program). The speakers are well-known experts from the Nordic countries UK, Ireland, the Netherlands and Australia.

The meeting will take place from Thursday lunch to Friday lunch.

You can participate remotely if you are not able or restricted to travel to Copenhagen.

We look forward to seeing you in Copenhagen.

On behalf of the Scientific Committee
Christian Heiring and Jesper Padkær Petersen

Members of the Scientific Committee
